"We Act Differently"

MASSIVE TRANSFORMATIVE PURPOSE

What It Means — In the Context of the Kingdom and Vision 2030

We act differently — because we believe trust is earned, service is sacred, and performance is a duty. We exist not to copy global models, but to build something better: Building a Saudi Arabian Logistics Champion that shapes Supply Chain Thinking, Uplifts our People, Honors our Culture, and Drives National Progress with Purpose.

VALUES

EXTREME OWNERSHIP

We don't just show up. Everyone is responsible. Everyone leads. We take initiative, own outcomes, and hold ourselves accountable

O.C. TO EXCELLENCE

We set audacious goals, stay humble, and let results do the talking. We are driven by impact, not attention..

BE THE EXCEPTION

We don't follow norms. We set new ones. In how we think, serve, and lead — we act differently

INTEGRITY

We earn trust through consistency and character. Our word is our bond, and we uphold our values under pressure.

HALA THE COMPANY

ATTRIBUTES

EXECUTIVE BEHAVIOURS

LEAD BY EXAMPLE, ALWAYS

- Model the behaviors you expect from others — in ethics, work ethic, and mindset.
- Excellence starts with you: tone, commitment, and consistency are contagious.
- Integrity is non-negotiable — behind closed doors and in public.

OWNERSHIP WITHOUT EXCUSES

- You are responsible for outcomes, not just effort.
- Solve problems proactively; never pass blame or hide behind red tape.
- If you miss a target, own it and immediately present a plan to recover.

OBSESSIVE COMMITMENT TO EXCELLENCE

- Push for continuous improvement — in self, team, and operations.
- “Good enough” is never the standard; strive to raise the bar daily.
- Actively coach your team to higher performance through feedback and support.

DRIVE THE CULTURE, DON'T JUST PROTECT IT

- Champion our values and challenge behavior that weakens them.
- Build teams who reflect our standards — hire for culture, coach for performance, exit with dignity when needed.
- Inspire trust through transparency, humility, and fierce commitment to the mission.

THINK STRATEGICALLY, ACT DECISIVELY

- Balance bold vision with operational clarity.
- Prioritize high-leverage actions that drive the mission forward.
- Don't confuse motion with progress — lead with outcomes in mind.

MULTIPLY LEADERS

- Develop successors, not followers.
- Create clarity, not dependency.
- Celebrate team wins, share credit generously, and raise others into the spotlight.
