Confidentiality Statement

The information contained within this document is confidential between Hala Supply Chain Services Co. (HALA SCS) and Badael.

This document is prepared and published by HALA SCS exclusively for the use by Badael employees on a need-to-know basis.

It contains HALA SCS confidential and proprietary information, and, under no circumstances should this document, or a copy, in any form, be given or any of its contents disclosed to anyone who is not an authorized recipient.

Executive Summary

Hala SCS strongly believes in BADAEL's vision and mission to provide a tobacco-free consumer alternative across the kingdom and soon worldwide which matches Hala's Values and gives Hala the honor to part of this journey as a logistics enabler.

Hala SCS, being a 3PL major player in the Saudi Market with over 25 years of experience across the kingdom focusing on the following industries as core competency:

- Healthcare.
- FMCG & Retail
- Petrochemicals
- Automotive

Running warehousing facilities with over **220,000** Pallets Positions capacity in **Jubail, Dammam, Riyadh, Jeddah** as of today with a vision to expand into new geographical areas within the kingdom and GCC and expanding the current service offering into **End-to-End transportation** including Freight Forwarding, Customs Clearance, Trucking, Warehousing, Inventory Management, Distribution, and Bonded Zone.

Hala SCS Value Proposition

“HOW CAN HALA SCS HELP BADAEL SERVE ITS CUSTOMERS – BETTER?”

Badael, being a new company with fast-growing market reach and rapid business growth, needs a 3PL partner that has the experience and capabilities to provide the required operational agility to Badael as the business dynamics change and Badael must rapidly respond to its customers' demands in existing and new markets.

FMCG Experience

- Over **25 years of experience** in warehousing and distribution business.
- Specialized experience in FMCG & FNB across the kingdom handling major local and multi-national brands.
- Skilled team comes from various FMCG backgrounds. Including FMCG traders, freight forwarders, port operators, distributors to add a combination of operational understanding for Badael's needs.

Space Availability & Scalability

- Hala SCS Facility in Jeddah current capacity is 40,000 pallets position with expansion plan to add additional 30,000 pallets positions by year 2027.
- Available space for future seeable or unseeable growth by Badael.

Operational Agility & Flexibility

- Ability to provide a dedicated space for Badael for the needed space with free fully equipped office spaces.
- Agility & Flexibility to change the scope of work as per Badael's business need to split/expand into other geographical area within the kingdom.
- Hala provides flexibility in case Badael changes its supply chain model from **Made to Order into Made to Stock model** by providing various storage and distribution options.
- Different transportation model service offerings to gives Badael the flexibility to achieve more cost-efficient transportation.

Hala SCS Roadmap 2028

Starting in 2025, Hala SCS will expand its service offering to provide End-to-End Transportation using digitalization.

- Customs Clearance by 2026.
- Container Transportation by 2026.
- Digital Transportation by 2026.
- Sea Freight Forwarding by 2027.
- Last Mile delivery by 2028.

Solution Description

Our proposed facility includes secure, temperature-controlled warehousing with dedicated inbound, storage, order processing, and outbound logistics zones.

Jeddah Modon 3A Warehouse

Proposed Location: <https://maps.app.goo.gl/K2Yk2A5sKzrPoTPe9>

Transportation Service

Dedicated reefer fleet to carry the daily transactions between Hala warehouse and Badael's factory base on per month or per trip basis.

4. Compliance & Certifications

- **DG & Chemical Handling:** Licensed for hazardous goods
- **Fire & Safety Systems:** Full compliance with NFPA standards
- **Certifications:**
 - **ISO 9001** (Quality)
 - **ISO 45001** (Safety)
 - **SFDA**-compliant for regulated inventory
 - **RCJY/Dammam Industrial Authority** licensed
- **Inventory Management:** FIFO methodology, real-time tracking.

Local Content

Hala SCS Project Team Qualifications:

1. Michael Barber – Chief Executive Officer: Nationality: United Kingdom

Michael has a rich executive experience of over 30 years in Logistics & Supply Chain Management in Africa and MENA regions before joining Hala SCS in 2022 to lead its growth and development. Value delivery, customer intimacy and local content development are key focus areas for Michael.

Previous Experience: DB Schencker, Hellmann Worldwide Logistics

2. Amin Al Halabi – Chief Commercial Officer Nationality: Lebanon

Amin has over 18 years of extensive supply chain experience. He joined Hala SCS in 2024 to lead the Commercial function.

Leveraging his extensive experience in the shipping, freight forwarding, ports management, warehousing and distribution industries, to deliver innovative and customer-centric solutions.

Previous Experience: Kuehne + Nagel, King Abdullah Port, TIL.

3. Ra'ed Salem – Chief Operations Officer Nationality: Jordan

Ra'ed is a veteran logistics expert with a strong track record of driving operational excellence and innovation, leading cross-functional teams to implement strategies that enhance productivity, reduce costs, and elevate customer satisfaction. Proficient in project management and continuous improvement methodologies like Six Sigma and Lean, Ra'ed is dedicated to building strong stakeholder relationships and staying ahead of industry trends.

4. Yazan Darwish – Key Account Manager

Nationality: Jordan

Yazan has been actively engaged with NUPCO since 2018 and the first Western Region contract awarded to Hala SCS in 2019.

Yazan utilizes his academic background in Industrial Engineering and his extensive experience in the KSA Supply Chain industry to create customer centric supply chain solutions.

Previous Experience: Aramex International Ltd.

5. Heinrich Coetsee – Western Region Operations Manager

Nationality: South Africa

Heinrich has more than 20 years of international experience in Warehouse and Logistics Management including perishables temperature-controlled warehousing. Heinrich has a customer centric focus; he plans well in advance to create good synergy between operational efficiency and customer expectations.

Previous Experience: Fountain Medical, Parmalat.

6. Hattan Al Harbi – Quality Manager

Nationality: Saudi Arabia

Hattan is passionate about Quality Management and developed his career over 15 years in a number of Quality Control and Management positions in the FMCG and Healthcare industries. Hattan plays a key role in Hala SCS to ensure compliance to regulations and commitment to our customers.

7. Barea Iraqi – Health, Safety, Security and Environment Manager

Nationality: Saudi Arabia

Barea is a safety engineer with over six years of experience in risk management and safety compliance, primarily in the logistics and aviation sectors. He has successfully managed HSSE policies, safety audits, and emergency response plans for Hala Supply Chain Services. Barea holds a degree in Industrial Engineering and several certifications in safety management and occupational health.
