	Al Qurayaat	4015.00	
	Hafr Albatin	3465.00	
	Yanbu	1925.00	
	Khamis Mushait	2970.00	
	Al Kharaj	2860.00	

Warehouse Terms and Conditions:

1. Detailed SLA and KPIs will be agreed between Hala SCS and Badael.
2. Daily Throughput Handling Charges:
 - 2.1 Daily throughput calculated on daily basis. Additional handling charges will apply as per above table if daily throughput is exceeded for that day. Daily throughput applied each working day Saturday to Thursday. No Daily throughput calculated for Fridays/Official Holidays. No monthly or weekly average is considered.
 - 2.2 Increased storage levels do not automatically include additional daily throughput. If customer would like to increase or decrease monthly fixed charges/throughput, new contract rates need to be agreed by both parties.
 - 2.3 Daily throughput includes up to 10% of Handling Out volumes as Case Picking up to a maximum of 14 Pallets per Day.
 - 2.4 Daily throughput includes 0% Inner Pack/Piece Picking, any Inner/Piece picking requests will be charged as per the above table.
 - 2.5 Daily throughput will be reported on daily basis by Hala SCS and will be the basis for end of month invoice calculation.
 - 2.6 Any pallet received regardless of size will count as 1 Pallet for handling throughput.
 - 2.7 Full Pallets dispatched regardless of size will count as 1 Pallet for handling throughput, for case picking, each 50 cases "or less" will count as 1 pallet for handling throughput.
3. Warehousing Charges are inclusive of Nicotine storage (DG) up to 60 Pallets per month.
4. Warehousing charges are inclusive of office space for up to 7 customer staff.
5. Additional space must be aligned between Hala and Badael 60 days in advance.
6. Monthly storage charges based on highest number of pallets recorded during the month as recorded by WMS at the end of each day.
7. Rates are based on agreed pallet dimensions and breakdown below:
 - a. 30% Euro Pallets L: 1.2m X W: 0.8m X H: 1.6m)
 - b. 70% ISO Pallets L: 1.2m X W: 1.0m X H: 1.2m)
8. Mobilization period: 4 Weeks from the awarding date
9. Operating hours: From Saturday to Thursday (1 Shift) from 08:00 AM to 05:00 PM (Friday and Public holidays – DAY off)

10. Hala SCS is offering fixed warehousing rates based on a 2-year contract term with 6 months notice period in writing for termination or renewal before the end of the contract term.
11. Badael shall pay to HALA SCS all due invoices within thirty (30) days of the date of receipt of the invoices.
12. Rates are exclusive of VAT. 15% VAT will be applied to invoices as per local regulations.
13. Proposal validity: this proposal is valid for a period of 30 days from submission date.
14. If Badael opts not to purchase the insurance mentioned above, HALA SCS will not be liable for Goods loss or damage due to force majeure events, break-in theft, or similar occurrences and will be the sole responsibility of Badael.
15. Any additional charges to be discussed, arranged, and authorized in advance in writing.

Transportation Terms and Conditions:

- a. The above rates are exclusive of VAT. 15% VAT will be added to invoices as per local regulations.
- b. Working 6 days a week, excluding Fridays, Eid Holidays and National Day.
- c. Daily Working hours: 10 hours
- d. Truck Replacement in term of truck breakdown, if there is a major maintenance need to perform.
- e. Badael shall provide with Hala SCS at least 24 hours in advance notice of any movement of Goods, as this will allow Hala SCS to make appropriate arrangements ahead of time.
- f. Hala shall be responsible for the following cost
 - a. Drivers
 - b. Fuel expenses
 - c. Cargo Insurance (GIT).
 - d. Regular Vehicle Maintenance
 - e. GPS
16. Hala SCS is offering rates based on a 2-year contract term with 6 months notice period in writing for termination or renewal before the end of the contract term.
- g. Badael shall pay HALA SCS all due invoices within thirty (30) days of the date of receipt of the invoices.
- h. The charges are for transportation only, full truck loads. Based on a single drop.
- i. Insurance

Warehousing & Transportation Commercial Proposal

- o The insurance coverage for cargo damage due to accidents is SAR 500,000 for the curtain side & Flatbed Trailers - Max capacity 22 TON as per the original document,
- j. Loading and offloading cargo at Badael facilities is the client responsibility.
- k. Damages occurred during loading & offloading at customer's premises are not covered under all circumstances and it's at the sole responsibility of the Customer.
- l. All permits required to enter the POL & POD should be arranged by the shipper or consignee.
- m. Badael will provide Hala SCS with Truck Ban exception permits for each vehicle.
- n. The total weight for the cargo must not exceed the tonnage of the specified vehicles, any overweight penalty will be under the Customer's responsibility.
- o. Truck Cancellation Charge:
 - o Any cancellation made 3 hours prior to the scheduled loading time will incur a charge of 350 SAR.
- p. Demurrage Charges:

The time allotted for loading/offloading the cargo is 1 hour. It is essential to adhere to these timeframes to ensure smooth operations. Any delay exceeding the allotted time for loading or offloading will result in an additional amount of 100 SAR per hour as demurrage charges.
- q. Rates are based on January 2025 Fuel Prices. Any increase in the rates of Diesel the quoted rate(s) is subject to change based on the following Fuel Surcharge Formula:

For each increase/decrease of Fuel price by 10% the transportation charges will change accordingly by 2%.
- r. If the government of Saudi Arabia makes any policy changes that reflect on the operational cost of transportation business, in such situation, HALA reserves the right to increase the rates within the contract period.
- s. Badael shall ensure that all goods have been properly and sufficiently prepared, packed, and labelled in accordance with all applicable laws and regulations and provide HALA SCS with such information and assistance as HALA SCS may reasonably request enabling HALA SCS to plan and perform the Services, including, avoidance of doubt, information on Badael productivity and delivery schedules.
- t. Mobilization period: 2 Weeks from the awarding date
- u. Badael shall ensure that their forecast planning is provided to the Hala Operational department a minimum of 1 week in advance.
- v. Validity of this proposal is 30 days

We thank you for giving Hala Supply Chain Services Co. this opportunity and look forward to being your Supply Chain Partner in KSA.

Regards,

Yazan Darwish
